

YOUR MEMBERSHIP SUPPORTS—

Networking

- One-to-one family networking/information sharing among the 1,700 families we work with each year
- Inner Faces, the New York-area support and social group where teens and young adults find a nurturing environment in which differences are accepted
- Social events including a holiday party for children with craniofacial conditions

Support Services

- Furnished apartment for families whose children receive treatments at NYU Medical Center's Institute of Reconstructive Plastic Surgery (IRPS)
- Family assistance fund to help families with travel, lodging expenses and related supplies such as air purifiers
- Hospital and home visits for children recuperating from surgeries
- Patient/Family Workbook to coordinate their child's medical treatments

Education and Outreach

- Appreciating Differences, our program for middle/high school students, in use by nearly 3,000 teachers.
- Everything Is Different! program for elementary students
- Workshops and seminars in schools, medical centers, and at conferences
- Scholarships to help young people fulfill their dreams
- Forward Face newsletter with personal stories, medical news, useful information, activities
